HOLD ME (Halt mich)

take dreams for hard cash
indulge in fantasies
have cought myself in you
dont know whats happening to me
warming to youre voice
resting in your arms
hold me
just a little while
till i fall asleep
-
feeling secure with you
betting my heart on you
want to cherish every moment
for all eternity
its good to lean against you
and youve got happiness in excess
to you i yield submissively
and find solace in you.
-
im beside myself with joy
want to perish with your slowly
headless
worrieless
weightlessly loose myself in you
cover me with tenderness
take me, dont hesitate - the night is short
peaceful
love-crazed
completly overwhelmed by you
it's wonderfull to be with you.
-
come on, tell me something

```
just chat with me
i want to fill up on your voice
always be with you
refuel me with your life
let me be within your arms
hold me
just a little while
till i fall asleep
ohh hold me
till i fall asleep
- - -
```
